TEST RULES

All owners or at least one owner of co-owned dogs and handlers of dogs entered must be NAVHDA International members. (Your NAVHDA member number is located on the mailing label just above your name on the Versatile Hunting Dog Magazine. You can also locate both of these numbers online at NAVHDA.org).

No dog is to be entered in the test without being NAVHDA registered. There are no exceptions to this requirement. (The NAVHDA dog registration number is your dog's NAVHDA number that is on the Registration Certificate Pedigree you received from NAVHDA). The Test Secretary will only process test entry forms done online; please do not email scanned test entry forms or membership applications to the test secretary.

Fully completed Entry Forms and Test Fees are required to reserve a spot in the test. Entries received without complete and correct information will be deferred until the information is updated. After submitting the form you will be notified if there is a spot for your dog or if your dog is on the waiting list. Once notified by email that you have a spot reserved you have three days to pay for the test using a link provided by the Test Secretary. If you have not paid within three days, your spot will be given to the first dog on the waiting list. Dogs on the waiting list do not need to pay for their spot until notified by email that they are cleared to move forward with

payment. Once notified of an available spot you have three days to pay or the slot will be offered to the next in line.
